ANNE SCHEIBER SCHOLARSHIP FUND

ABOUT THE FUND

Benefactor Anne Scheiber believed in the mission of YU: to apply the best of Torah values and Western knowledge to serving the community. In 1995, the Anne Scheiber Scholarship Fund was established from her estate for financially and academically deserving women "who have indicated their desire to assist in the development of humanity, and alleviate pain and suffering."

Scholarships for up to full tuition may be awarded to graduates of Stern College for Women (SCW) who are attending Albert Einstein College of Medicine (Einstein) and who are determined to require financial assistance. Scholarships are awarded and reviewed annually by the university for SCW graduates who have been accepted by Einstein and demonstrate financial need. The requirements of this scholarship can change at any time without notice, and no reliance should be placed on the availability of this scholarship.
