

be Morr is a culturally affirming NYC group practice catered to Women of Color. The be Morr team is passionate about helping WOC tap into their strengths in order to liberate and heal themselves!

We are seeking a **dedicated and experienced Clinical Supervisor to join our team.** The Clinical Supervisor will play a crucial role in overseeing and providing guidance to our clinical staff. This role involves a combination of direct client work, consultation screenings, chart reviews, and regular team supervision.

We are a virtual practice and sessions are provided using telehealth. We provide our clinicians with client referrals.

Our ideal candidate is someone who is proactive, detail-oriented, and takes initiative in communicating their needs! We prefer a candidate who is willing to commit to at least a 1 year contract.

Key Responsibilities:

- Manage a micro caseload of a minimum of 5 client sessions per week, adhering to clinical best practices and ensuring quality care.
- Dedicate 2 hours per week to comprehensive chart reviews to maintain compliance with regulatory standards.
- Provide 1.5 hours of supervision to clinical staff on a weekly basis, offering guidance, feedback, and support in their professional development.
- Participate in weekly meetings with the Cofounders, communicating updates and discussing strategic initiatives.

Qualifications:

-NY licensed LCSW, LMHC, PsyD or LMFT is required and a minimum of 4 years of relevant experience providing direct Clinical support is required. Previous Supervisory experience preferred.

Expertise:

- Strong clinical skills and advanced knowledge and skills in various therapeutic modalities, approaches evidence-based practices.
- Excellent communication and interpersonal skills
- Be sensitive to cultural, racial, and other diversity-related issues. Strong ability to guide therapists in providing culturally competent care and be aware of how cultural factors may impact the therapeutic process.
