---

---

**Notes about business electives for Accounting majors:**

- BLW 2112 Business Law and TAX 6125 Federal Income Tax II are **recommended** for students taking the CPA exams.
- One Computer Science course (excluding Intro to CS for non-majors), and one Economics course count without prior approval.
- One non-business or correlate elective, may qualify subject to prior departmental approval.
- TAX 6124 and TAX 6125 count as six credits towards the MS in Accounting. Students who have not taken these courses need 30 credits to earn the MS degree. Students may take up to two more MSA courses towards their joint BS/MSA degree.

**Notes for future CPAs:**

- To be licensed as a CPA, a student must complete 33 accounting credits, 36 business credits and 150 total credits. IDS1010: Mathematics for Business does **not** count towards the 36 business credits but do count towards the 150 total credits.
- The Sy Syms Master's program in Accounting, although not mandatory, is one way to satisfy those requirements. Note that a student must also have one year of work experience to be licensed.

**DUALS:**

- To earn a double major, select two subjects and complete the required and major elective courses for each major, for a total of 12 courses. The business electives listed under each major are not required.
- Students who complete three business electives within one subject area may earn a minor. These courses would also count as the business electives for your major.
- Please meet with your advisor if you are interested in a liberal arts minor.
