### Tips For Claim Submission

- ▶ Dependent care expenses cannot be paid to anyone who is your child or stepchild under the age of 19 and claimed as a dependent on your tax returns.
- ▶ A dependent is defined as someone who spends at least 8 hours a day in your home and is one of the following:
  - A tax dependent child under the age of 13 for whom you have custody more than half of the year.
  - A dependent that is physically or mentally incapable of self care regardless of age.
- ▶ Only submit claims for eligible expenses. Extended overnight camps, kindergarten or higher-grade tuition, non work related day care or long term care services are not eligible expenses. The only expenses considered eligible are those that are incurred while you or your spouse are working, looking for work or attending school full time.

### Tips For Documentation

- ▶ Ensure that the documentation is legible.
- ▶ Cancelled or copies of checks and credit card receipts do not contain all 5 required pieces of information needed to approve your expense, and are not acceptable for submission.
- ▶ If multiple pieces of documentation are attached, please circle the dollar amount that is being claimed on each piece of documentation.
- ▶ The use of a highlighter causes items to not be legible on the documentation; highlighter use is not recommended.
- ▶ At the end of the tax year, you are required to provide the IRS with the provider name, address and Tax ID # on Tax Form 2441 in order to obtain the tax advantage for these expenses.
