NOTES:

- MAT 1412/1410 is a pre requisite for ECO 1101 and will be needed to take the course, even though this calculus course will not work to fulfill an elective requirement.
 - If a student doesn't want to take calculus, he will complete the minor with ECO 1201
- Electives may include ECO 1101 or 1201 as only one of them is required
- STA1021 may fulfill an elective requirement only if ECO1421 is also taken.

NOTE: Courses within any given major or minor require a grade of a "C-" or better to fulfill its requirement
