

Syllabus Checklist

Subject Code and Course Number

Course Long Title

Faculty (author of syllabus), contact information

Credits:

Course Description: *approximately 40 words of content description*

(Example for Special Topics courses: Selected topics in XXX, content will vary by semester. May include topics such as X, X, X. May be repeated for X credits.)

Learning Objectives:

What should students know or be able to do after taking this course?

Which program [i.e., departmental] student learning goals and objectives does this course address?

Prerequisites/Corequisites

Materials (Texts) Needed for Class: Including their cost, and details of the course Canvas page, e-reserve, etc.

Assignments: Including the percentage weight of each as a basis for the grade determination

Method of Assessing Student Achievement:

List and describe the assessment methodologies that will be used to determine the extent to which students have achieved the Learning Outcomes listed.

Please also include information on academic integrity, accommodations, and student support along these lines:

Academic Integrity: The submission by a student of any examination, course assignment, or requirement is assumed to guarantee that the thoughts and expressions therein not expressly credited to another are the student's own. Evidence to the contrary will result in appropriate penalties as outlined here: <https://www.yu.edu/academic-integrity>.

Special accommodations: Students with disabilities who are enrolled in this course and who will be requesting documented disability-related accommodations should make an appointment with the Office of Disability Services, rkohn1@yu.edu during the first week of class. Once you have been approved for accommodations, please submit your accommodation letter, and discuss any specifics with me to ensure the successful implementation of your accommodations.”

Writing Center: The Beren Campus Writing Center offers individualized tutoring that can support your projects for this course. All writers need feedback, even strong ones. Find out more and make an appointment at the [Beren Writing Center](#).

Learning Success Center: Any undergraduate student interested in improving their study skills and academic performance is welcome and encouraged to visit the Learning Success Center office for academic support. A learning specialist helps you develop the reading, writing and study skills necessary for academic success. For more information, or to schedule an appointment, please go to [Learning Success Center](#).

Libraries: Need help with your research? The [Yeshiva University Libraries](#) offer individualized consultations that will help you locate and cite journal articles, books, and other credible sources for solid papers, presentations, and reports. Stop into the libraries or [make an appointment](#) with a librarian. You can also [email us](#) any time or contact us via [Live Chat](#). Librarians are always happy to help you!
