

Yeshiva University Student Immunization Form

To maintain the health of all students, New York State public health law requires that students attending postsecondary institutions in the state submit proof of immunization against certain vaccine preventable diseases. Please submit this form before your first day of classes, as the law allows only a short grace period before a student who is not in compliance may no longer be on campus.

Part 1: Student Information

Name: _____	Date of Birth: _____ / _____ / _____ month day year
YU ID#: _____	School/Program: _____
Email: _____	Cell Phone: _____

Part 2: Measles, Mumps, and Rubella

All students born on or after January 1, 1957 are required to demonstrate immunity to measles, mumps, and rubella by presenting proof of having received two vaccinations for Measles (Rubeola), at least one vaccination for Mumps, and at least one vaccination for Rubella (German Measles), or if given in combination, two MMR (Measles, Mumps and Rubella) vaccines. Immunity may also be affirmed by providing the results of a laboratory test (immune titer) for each disease and a copy of the report.

A	Two Measles, Mumps, and Rubella (MMR) Vaccinations (Attach Documentation) 1 st MMR Dose: Immunization no more than 4 days prior to student's first birthday Date: _____ 2 nd MMR Dose: Immunization at least 28 days after first vaccination Date: _____
OR	Individual Measles, Mumps, and Rubella Vaccinations (Attach Documentation) 1 st Measles Dose: Immunization no more than 4 days prior to student's first birthday Date: _____ 2 nd Measles Dose: Immunization at least 28 days after first vaccination Date: _____ Mumps: Immunization no more than 4 days prior to student's first birthday Date: _____ Rubella: Immunization no more than 4 days prior to student's first birthday Date: _____
OR	Titer Showing Positive Immunity (Must Attach Laboratory Report) Measles Date: _____ Mumps Date: _____ Rubella Date: _____
B	Healthcare Provider Information (This form must be signed and stamped by a healthcare provider or have attached immunization records.) Provider Name: _____ Provider Signature: _____ (Include Office Stamp)

Part 3: Meningococcal Meningitis Vaccination Response Form

New York State public health law requires all college and university students enrolled for at least 6 semester hours or the equivalent per semester, or at least 4 semester hours per quarter, to complete and return this form.

Information about meningococcal meningitis and vaccination is available at:
<https://www.cdc.gov/meningococcal> or <https://www.health.ny.gov/publications/2168>

Complete the information section below; check one response box; sign and date.

I have:

had the meningococcal meningitis immunization (Menactra®, Menveo®) **within the past 5 years.** (Must Attach Documentation)

read the information regarding meningococcal meningitis. I **will** obtain immunization against meningococcal meningitis within 30 days from my private health care provider.

read the information regarding meningococcal meningitis. I **will not** obtain immunization against meningococcal meningitis.

Signature: _____ Date: _____
 Student (if 18 years or older), otherwise parent
