Yeshiva University
Office of the President

From the desk of
Rabbi Dr. Ari Berman

My Dear Friends,

I hope you are well.

I am happy to share that Yeshiva University closed 2024 with the optimism and sense of purpose that characterizes our university at this historic moment. This is a time of extraordinary growth and achievement for our institution. We raised over \$100 million in our Fall campaign for our 100th Chanukah dinner, we have moved to the next stage in building our new Health Science Campus in midtown's Herald Square, we have doubled the size of our graduate schools and have an overflow of excellent undergraduate students who are applying to attend YU in the year ahead.

Your support enables us to maximize this moment and rise to meet our potential. Thank you so much for your generosity and friendship.

Wishing you much meaning, happiness and success in 2025,

Rabbi Dr. Ari Berman
