I elect to PARTICIPATE in the plan. By signing this agreement, I authorize a salary reduction of my compensation as defined in the Plan. I understand that the minimum that I can contribute is equal to the lesser of 2% of compensation or \$200 but no more than 80% of compensation. I understand that if I want to contribute the minimum, I must contact the University Benefits Office. I understand that I can elect to make pre-tax contributions, after-tax Roth contributions or any combination of the two. If I am eligible for the University's matching contributions, I understand that I will receive matching contributions of at least 2% but no more than 5% or 7% of my compensation to the Plan, depending on my eligible class and in accordance with IRS regulations and compensation limits.

The 2025 annual contribution limit is \$23,500.00 in accordance with Internal Revenue Code Sections 402(g) and/or 415. If the amount of contributions exceeds this limit, I agree that contributions may be suspended automatically at such time. If in any calendar year the amount of my salary reduction contribution is suspended as per the previous sentence, then the amount of my salary reduction contribution shall be resumed automatically at its unreduced level at the beginning of the following calendar year.

This agreement will be put into effect as of the pay date following the date that I become eligible for the plan or as soon as administratively feasible thereafter. I understand that I can make changes to this agreement during the calendar year which will be effective with the next available pay date. I further understand that once implemented, my elections pursuant to this salary reduction agreement will remain in effect until I change or terminate this agreement, or until it is automatically terminated as described below.

While this agreement is irrevocable with respect to compensation that is payable to me while the agreement is in effect, I understand that either I or the University may terminate this agreement with respect to any future compensation not yet payable to me. I further understand that this agreement will automatically terminate on the date I (a) terminate employment, (b) commence an unpaid leave of absence, (c) cease to be in an eligible class, (d) receive a hardship distribution or (e) reach the contribution limit, or (f) give written notice to the University to stop my salary reduction contribution to the plan, whichever event occurs first, and that my contribution and the University contribution to the plan will cease with respect to any compensation payable to me after such date. I understand that in order to make contributions after I have terminated by agreement, I must enter into a new salary reduction agreement.
