

ABA Therapist

Reach for the Stars Learning Center – Brooklyn, NY

Job description

Reach for the Stars is a 12-month, innovative, 1:1, private not-for-profit school for children with Autism Spectrum Disorder. We are seeking a full time ABA therapist to work one on one with our students in a classroom setting.

Since our founding in 2005, Reach for the Stars Learning Center has been committed to teaching students with Autism Spectrum Disorder (ASD) ages 2.9 to 21 years of age. Staff are all trained in using the principles and methodologies of applied behavior analysis (ABA) to create individualized instruction in areas of education, behaviors, play, leisure, daily living skills, pre-vocational and vocational skills and much more. Programming is tailored to meet the individual needs of each student.

Reach for the Stars is looking for individuals with experience working with students with ASD.
