

ANSWERING THE CALL OF HISTORY

BEREN CAMPUS
ORIENTATION

● Tuesday, August 20 - Sunday, August 25 ●

WELCOME TO ORIENTATION

Answering the Call of History

Dear New Yeshiva University Student,

On behalf of the entire community at Yeshiva University, we are thrilled to welcome you as you embark on your next chapter. This week, you will meet fellow students, discover the many support resources available to you and get settled on campus for an experience like no other. This is the beginning of your time at Yeshiva University, as you deepen your connection to your Jewish identity and your place in the history of our people. And, yes, there will be plenty of time for fun, too.

This year's Orientation theme is "Answering the Call of History." You are entering Yeshiva University at a time of significant challenge, change and promise for Jews in America, Israel and globally. More than ever, our community and the entire world needs you, the next generation of passionate, thoughtful and committed leaders. Orientation is the gateway to understanding how YU rises to this occasion, and how you will be part of this next generation of innovators and intellectuals, activists and achievers, providers and practitioners.

"Answering the Call of History" is more than just a theme; it's a summons to action. Now more than ever, it is easier and more tempting to give in to despair, cynicism or disengagement, but it is also more important than ever to ignite your passions, channel your talents and draw on the wealth of knowledge and values at your disposal. The extraordinary potential that lies within you can only be fully realized if you embrace the journey ahead and purposefully apply your power to make a difference.
