Dear Friends,

I was so happy to spend meaningful time with our incoming class during orientation on Shabbat and throughout the week. For your enjoyment, I am pleased to share with you some of the highlights of our opening days.

To see the YU Orientation Video, [click here](#) or on the image above

We have an amazing class of students and our orientation highlighted how YU empowers each of our students to develop their unique potential as members of our mesorah community and as leaders of tomorrow.

I look forward to a great year ahead.

My warmest regards,

Rabbi Dr. Ari Berman
