Office of the President

My Dear Friends,

On Thanksgiving, we are reminded of the transformative power of gratitude. It elevates the everyday and connects us to a higher sense of purpose, helping us appreciate the blessings in our lives and the relationships that give them meaning.

At Yeshiva University, [I am deeply thankful for the extraordinary students, faculty, and staff](#) who make this institution such a special place. This week, our students shared their gratitude to those who have ensured their education and their pathways to lives filled with success and meaning.

As we celebrate this season of thanks, may we continue to cultivate gratitude in our lives, building a world of hope, strength, and meaning.

Wishing you and your loved ones a joyful Thanksgiving filled with blessings and connection.

Rabbi Dr. Ari Berman
President, Yeshiva University
