## **CELEBRATING THE INSTALLATION OF RIETS DEANS**

Rabbi Dr. Yosef Kalinsky, *Max and Marion Grill Administrative Dean*  
Rabbi Aryeh Lebowitz, *Abraham Arbesfeld Torah Dean*

This year's RIETS Evening of Tribute is a celebration of Torah, leadership and the immutable bond between generations of talmidei chachamim and their talmidim.

For 100 years, our Yeshiva has produced the students who have grown to become the rabbinic leaders of their respective generations.

Tonight, we are privileged to honor pillars of our community who exemplify the core values and mission of RIETS.

The inaugural Dor L'Dor Award recognizes Benyamin and Esti Kaminetzky and their family for their enduring dedication to Torah and RIETS. Across generations, their family has stood as a role model of Torah and provided steadfast support to our yeshiva, strengthening both our institution and the broader Jewish world.

The Lifetime Achievement Award pays tribute to Dr. David Pelcovitz, whose wisdom and guidance in our yeshiva and our community has elevated our lives and shaped generations of talmidim with the knowledge, empathy and strength to lead with integrity and character.

This year, we also mark a new chapter for RIETS with the installation of the two new Deans of RIETS: Rabbi Aryeh Lebowitz as the Abraham Arbesfeld Torah Dean and Rabbi Dr. Yosef Kalinsky as the Max and Marion Grill Administrative Dean. Their extraordinary dedication, scholarship and vision will shape the future of our yeshiva and its talmidim for generations to come.

Tonight is more than a celebration; it is a reaffirmation of our sacred mission. Torah is our foundation, and RIETS stands at the center of our Torah lives, preparing the next generation of rabbanim, educators and communal leaders to guide Klal Yisrael forward with wisdom and strength.

Thank you for being part of this momentous occasion and for standing with us in our shared mission. On behalf of our roshei yeshiva, faculty and students, we extend our deepest hakarat hatov to tonight's honorees and to all of you who support our yeshiva and its vital work. May we continue to grow together, building a future of Torah and leadership which drives forward a flourishing Am Yisrael and spreads the values of our mesorah across our community and throughout the world.

**RABBI DR. ARI BERMAN**  
President and Rosh Yeshiva

We would like to express our deep hakaras hatov to the Yeshiva for being our family's spiritual home for over a century. Thank you to all who have contributed to this evening's success.

Mazal Tov to Dr. David Pelcovitz for his lifetime of service to RIETS and all of Klal Yisrael.

Mazal Tov to Rabbi Lebowitz and Rabbi Dr. Kalinsky. Under your leadership, our Yeshiva is poised to continue to be marbetz Torah for the next century.

**BENYAMIN AND ESTI KAMINETZKY**

Being at YU has always been much more than a job; it has been a calling which has infused our lives with meaning and a sense of purpose. We are fortunate to feel that we have found our spiritual home, being part of a community that truly reflects our values.

Teaching the special students in RIETS and Azrieli gave me a unique opportunity to personally grow through integrating my secular interests with the wisdom of Torah in a way that I could not have imagined. I cherish that it also provided me with the privilege of playing a role in shaping future leaders of the Jewish people.

With much gratitude for this special honor and the outpouring of love —

**DAVID AND LANI PELCOVITZ**

Thank you

Rabbi Yona Reiss and Rabbi Menachem Penner  
for loyally leading our Yeshiva for more than 15 years.

Your personal guidance and  
ongoing *הדרכה* inspire us each day.

May you have much continued nachas from your  
Talmidim — the leaders of tomorrow.

**RABBI ARYEH LEBOWITZ**

**RABBI DR. YOSEF KALINSKY**

Expressing a great sense of hakaras hatov to President Berman and our Roshei Yeshiva shlit"a who serve as the guiding lights of our beloved yeshiva, a mazal tov to the entire amazing Kaminetzky family who truly embody everything RIETS stands for, unending gratitude to Dr. Pelcovitz for his decades of handling Klal Yisrael's most difficult problems with sensitivity and wisdom, and great admiration for my partner and mentor Rabbi Dr. Yosef Kalinsky who will stop at nothing to enhance our yeshiva and help our rebbeim and talmidim.

**RABBI ARYEH LEBOWITZ**

## MAZAL TOV TO

Dr. David Pelcovitz is a humble yet towering leader and pioneer in our community, a mentor and teacher to thousands, who also cares so deeply about each one of them individually. Thank you for accepting this honor tonight and allowing us to attempt to express our deepest הַטּוֹב הַכֵּר to you and Lani.

Benjamin and Esti Kaminetzky exemplify what it means to take responsibility and אחריות for עם ישראל with their dedication of time, expertise, and resources to Jewish organizations. As our inaugural recipients of the Dor L'Dor award we honor their deep connection to RIETS, as guardians of our rich מִסֹּרָה. We look forward to wonderful achievements from the next generation and beyond!

Rabbi Aryeh Lebowitz, as a חכם תלמיד and extremely talented Rebbe you bring passion and erudition into every shiur and shailah that you address, with sensitivity and knowledge. You are relatable to all talmidim and somehow find additional hours each day to accomplish more than others do in a week. I look forward to working closely with you as we guide RIETS to its next magnificent stage, training and teaching the rabbinic leadership of the next generation.

Thank you to my wife Elisheva, my partner in everything I do, and to my parents for raising me on the path of Torah and mitzvos and commitment to the Jewish community.

**RABBI DR. YOSEF KALINSKY**

*Guardian*

We feel honored to have Rabbi Aryeh Lebowitz carry our family's name as he is installed as the Abraham Arbesfeld Torah Dean of RIETS, and we wish him and Rabbi Dr. Yosef Kalinsky a heartfelt Mazal Tov and much hatzlacha in leading the Yeshiva.

We extend our warmest wishes and deepest admiration to Dr. David Pelcovitz for a lifetime of service to RIETS and Klal Yisroel.
