## **Occupational Therapy Doctorate Statement on Diversity and Inclusion**

The graduate health science programs at the Katz School of Science and Health prioritize individual dignity and promote a culture of diversity, inclusivity, and equity in a supportive client care, learning, and research environment. We are committed to creating a community that recognizes and embraces diverse backgrounds and identities.

Every student, faculty member, client, and their family will be treated with respect, dignity, and professionalism. We do not tolerate or condone discrimination.

We are committed to delivering health care and education in a manner that respects diversity and inclusivity with the full intent of achieving better health, happiness, quality of life, and functional outcomes for all.
